Americans are in desperate need of Healthcare Insurance Reform Now

- **45,000 people die each year in the United States** due to lack of Healthcare insurance
- 129 people die each day in the United States due to lack of Healthcare Insurance
- **1095 people die each year in North Carolina due to lack of Healthcare Insurance**
- 3 people die each day in North Carolina due to lack of Healthcare Insurance
- **930,000 Americans file bankruptcy each year** due to healthcare cost in United States
- **Every 30 seconds someone files bankruptcy in the aftermath of a serious health problem** in United States
- An estimated 1.2 million families lose their homes to foreclosure every year due to unaffordable medical cost

We can’t wait any longer for a system to provide every American affordable, quality health care.

On **Saturday, March 20, 2010**. Charlotte Citizens will Rally to End Healthcare Discrimination in Unity.

In case of inclement weather, the **alternate** date is set for **March 27, 2010**.
